Soundbar Cabinet

The **ERFM1-01G Shelf Cabinet**, as the core flexible-storage unit for media devices, elevates your entertainment area with premium features:

- **Soft-Close Door Hinges:** Silent self-closing prevents slamming, protecting devices with upscale texture.
- **Adjustable Height Shelf:** 3 height modes fit media players, game consoles and assorted accessories.
- **Integrated Cable & Thermal Management:** Rear/bottom vents + 4 grommets hide wires and boost device cooling airflow.
- **Durable MDF Construction:** High-quality MDF construction; top holds 200 lbs, shelf supports 22 lbs for long-term use.
- **User-Friendly Setup:** Tool-free assembly & eco flat-pack for fast, easy installation.
- **Thoughtful Safety & Stability:** Anti-tip strap, adjustable feet and bumpers steady unit on uneven floors or carpet.
