The **ERFM3-01G Drawer Cabinet**, as the core storage unit for gadgets and sundries, elevates your entertainment area with premium features:

- **Soft-Close Drawer Mech:** Silent slow-close stops slamming, protects stored items and extends service life.
- **Dual-Load Design:** Top holds 200 lbs for TVs; drawer bears 18 lbs for gadgets and sundries.
- **Integrated Cable Management:** Rear vents & dual grommets conceal wires for tidy appearance.
- **Durable MDF Construction:** High-quality MDF ensures strength, smooth surfaces, and long-lasting performance.
- **Thoughtful Safety & Stability:** Anti-tip strap, adjustable feet and bumpers steady unit on uneven floors or carpet.
