(Motion Mounts)

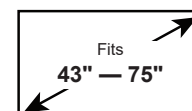

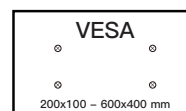

The ERMML1-01B motion mount fits most TVs 43" to 75" and up to 132 lbs. This mount extends 24.2" from the wall and can be swiveled left or right and tilted, making it possible for you to get optimal viewing in any seating location. Level adjust allows the TV to be properly leveled after installation. Horizontal shift allows TV to be moved horizontally on wall plate to allow optimal placement on wall. This product has been safety tested and UL Certified.

Features

- Universal Compatibility - Fits most TVs 43-75" with VESA pattern from 200 x 100mm to 600 x 400mm weighing up to 132 lbs.
- Motion Mounts allow the TV to be easily extended away from the wall, swiveled left or right and tilted, making it possible for you to get optimal viewing in any seating location.
- Level adjust allows the TV to be properly leveled after installation.
- Horizontal shift allows TV to be moved horizontally on wall plate to allow optimal placement on wall.
- Easy three step installation. Step-by-step instruction, wall plate template, and universal hardware bag are included in the package.

SIDE VIEW - TILTING

WALL PLATE

SIDE VIEW

The ERMTX1-01B tilting mount fits most TVs 49" to 90" and up to 150 lbs. Extension functionality allows for increased tilting range and easy cable access. Tilting functionality helps with reducing reflections and enhances the viewing experience. Unique latching mechanism allows TV to be attached securely and removed from wall plate quickly and easily. Horizontal shift allows TV to be moved horizontally on wall plate to allow optimal placement on wall. Open wall plate accommodates outlet and or low voltage pass through. This product has been safety tested and UL Certified.

Features

- Universal Compatibility - fits most 49"-90" TVs with VESA pattern from 200 x 100 to 600 x 400mm weighing up to 150 lbs.
- Extends from wall for increased tilting range and easy cable access.
- Tilting functionality helps with reducing reflections and enhances the viewing experience.
- Unique latching mechanism allows TV to be attached securely and removed from wall plate quickly and easily.
- Horizontal shift allows TV to be moved horizontally on wall plate to allow optimal placement on wall.

Product Dimensions

The background of the image consists of soft, flowing, abstract waves in shades of light blue and white, creating a sense of movement and depth. The waves are layered, with some appearing closer and more saturated, while others recede into a lighter, hazy background.

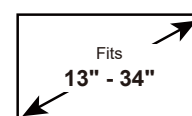

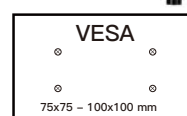

Office Solutions

The ERDHM1-01B is a single monitor desk mount with built-in hub for monitors up to 34" and 22 lbs. Inputs include two USB-C, two USB-A, one HDMI port, one ethernet port, and one 3.5mm AUX. Supports up to 75W USB-C charging for laptops, phones, and tablets. Stream media up to 4k resolution via HDMI. Built-in cable management helps to create a streamlined look. Enhance your workspace with a sense of technology that complements today's sleek monitor designs.

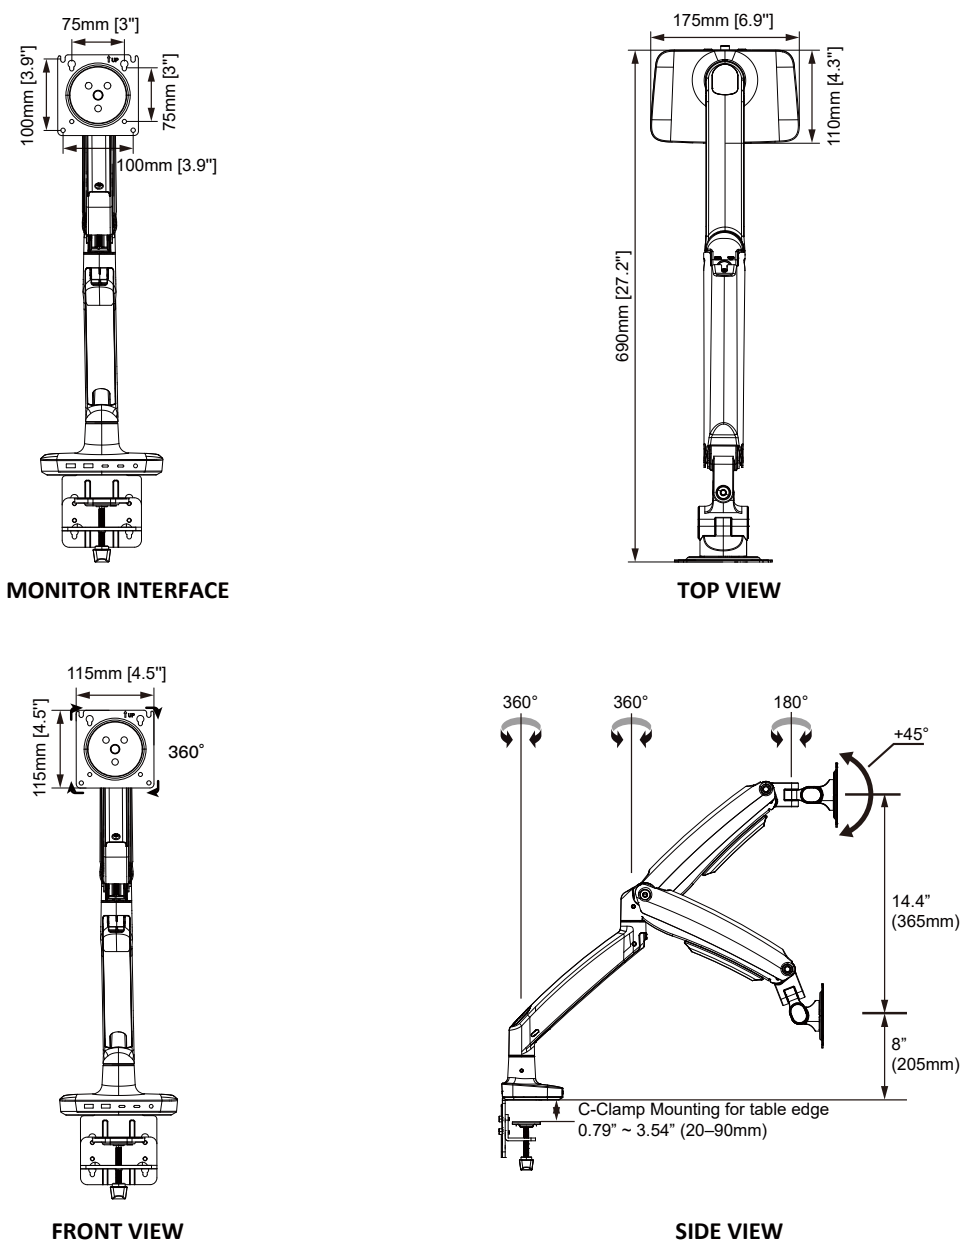

Features

- Universal compatibility - fits most monitors 13-34" weighing between 4.4 and 22 lbs with VESA 75 x 75 or VESA 100 x 100 hole patterns.
- Built in Dock expands available ports on your computer - Inputs include two USB-C, two USB-A, one HDMI port, one ethernet and one 3.5mm AUX.
- The gas spring arm provides easy height adjustment - simply move the monitor where you want it, no tools required!
- Supports up to 75W USB-C charging for laptops, tablets and 7.5W for phones and able to stream media up to 4k via HDMI.
- Versatile mounting options; includes desk clamp, or grommet mount accommodates a variety of desk types.
- Streamlined look with built-in cable management system.
