

The ERTSMH3 Tabletop TV stand accommodates TVs or monitors from 43" – 65." It is a perfect solution for the hospitality, healthcare, education, and other industries where security is important. The base securely mounts to surfaces like counters or credenza tops, providing stability and a secure installation. The added anti-theft protection secures the TV or monitor to the stand. It offers five height adjustment levels and swivels 35 degrees in both directions. Allowing the user to achieve the perfect viewing angle and height. Constructed from high-quality, durable materials, it features a stylish base, rear cable management clips, and supports up to 88 pounds. Its compact design maximizes space and provides a neat, clean look.

Features

- **Universal Compatibility** - Fits most 43"- 65" TVs and monitors with VESA pattern from 100x100mm to 400x400mm.
- **Swiveling Function** - The TV can easily swivel 35 degrees left or right, making it possible for you to get an optimal viewing without being restricted your seating location.
- **Multiple Height Adjustments** - This table top TV stand has 5 options in height adjustment to satisfy different applications or TV sizes.
- **Stable and Safe** - This stand is made with a stylish wooden base with a black melamine finish. The pillar and TV brackets are made of steel, providing a weight capacity of 88 pounds.
- **What's included** - Mounting hardware and template for mounting the base to the counter top. Also included is the security hardware to securely mount the monitor or TV to the stand.
