

Expand your display capabilities with the ErgoAV Extension Kit—designed to work seamlessly with the ERMLX1-01B Extend Fixed Mount. This modular add-on allows you to daisy chain additional wall plates to create a continuous mounting system for multiple TVs. Whether you're building a video wall, digital signage setup, or commercial display array, this extension kit gives you the flexibility to mount TVs in either landscape or portrait orientation.

Features

- Combined with ERMLX1-01B, it provides multiple TV and monitor mounting solutions on ONE continuous wall plate, extending the VESA compatibility to your needs or multiple versions of it.
- Designed for the ERMLX1-01B extend and swivel extend fixed mount, this expansion extension kit allows mounting an additional TV in portrait or landscape orientation, perfect for TV walls, menu boards, and more.
- This extension expansion kit fits VESA patterns from 100 x 100mm to 550 x 850mm with a weight capacity of 132lbs.
- It allows the TV to be easily extended 1.8"-5.2" from the wall and swiveled $\pm 10^\circ$, for alignment with the sets mounted on the ERMLX1-01B.
- Level adjustment of $\pm 2^\circ$ allows the TV to be properly leveled after installation.
- The kit includes the extension wall plate, connection plate, one set of TV brackets, and mounting hardware.
- Horizontal shift allows TV to be moved horizontally on wall plate to allow optimal placement on wall.
