

This modern ultra-large TV wall mount designed to accommodate TVs ranging from 75" to 116" with a robust weight capacity of up to 225 lbs. Its flexible VESA compatibility (100×100mm to 1150×850mm) ensures a perfect fit for a wide range of television models. This innovative wall mount features a modular panel design, allowing you to mount up to two TVs simultaneously when combining panels. With +/- 0.5" post-installation leveling adjustment. The mount also supports horizontal shift 7.5" (VESA: 600×400), so you can customize the positioning to suit your needs. Enjoy effortless installation and removal with its quick-lock mechanism, saving you time and hassle. The open wall plate design accommodates power outlets and low-voltage pass-through for clean cable management. Achieve your desired viewing angle with the mount's adjustable depth, ranging from 2.0" to 5.2" from the wall.
