

This modern ultra-large TV wall mount designed to accommodate TVs ranging from 75" to 115" with a robust weight capacity of up to 225 lbs. Its flexible VESA compatibility (100x100mm to 1100x850mm) ensures a perfect fit for a wide range of television models. This innovative wall mount features a modular panel design, allowing you to mount up to two TVs simultaneously when combining panels. With +/- 0.5" post-installation leveling adjustment. The mount also supports horizontal shift 7.5" (VESA: 600x400) , so you can customize the positioning to suit your needs. Enjoy effortless installation and removal with its quick-lock mechanism, saving you time and hassle. The open wall plate design accommodates power outlets and low-voltage pass-through for clean cable management. Achieve your desired viewing angle with the mount's adjustable depth, ranging from 1.8" to 5.2" from the wall.
