

The ERDS3-01WN electric standing desk combines strength and smart design with its premium 1.6" MDF desktop—not particle board, supporting up to 154 lbs. Easily adjust the height (27.6" to 46.5") via the built-in controller—equipped with 3 USB ports (a total power of 38W) for convenient charging. Shift seamlessly between sit and stand modes to boost comfort and focus. Integrated cable management features (Includes an under-desk tray and cable hole) keep cords organized and your workspace tidy.

Features

- The sturdy 1.6" one-piece MDF desktop minimizes wobble, securely supporting up to 154 lbs.
- A high-density MDF build guarantees long-lasting durability and resilience against daily wear and tear.
- The smart embedded controller enables safe and effortless height adjustments at the touch of a button.
- Integrated 28W charging ports (2x USB-A, 1x USB-C) keep your devices powered and your workspace clutter-free.
- A complete cable management solution tucks away all wires for a tidy and distraction-free environment.

WARRANTY: 3-Year
