

The ERDS5-01B executive standing desk features a premium 1.6" solid MDF top (Instead of flimsy particle board) that supports 154 lbs. Adjust height electrically (27.6" to 46.5") with the smart embedded controller, which includes 3 USB ports (a total power of 28W) for charging your devices. Switch seamlessly between sitting and standing for a healthier workday. Keep your office space organized with two-tier storage shelves and three drawers. Built-in cable hole and a cable management tray keep the desktop tidy and clutter-free.

Features

- A premium, thicker 1.6" one-piece MDF tabletop holds up to 154 lbs for your piece of mind.
- Adjust your desk effortlessly and safely with the intelligent anti-collision technology.
- Stay powered with 28W of quick charging (2 USB-A + 1 USB-C) right at your fingertips.
- Best-in-class cable management conceals and routes cables for a premium finished look.
- Built-in drawers and shelves allow convenient storage and access to a variety of daily accessories.
