

The ERMTL3-EXTKIT can be used as a standalone TV mount, or as an extension kit to mount an extra TV on the ERMTL3-01B in portrait or landscape orientation. This modular add-on allows you to daisy chain additional wall plates to create a continuous mounting system for multiple TVs. The ERMTL3-EXTKIT fits most 40" to 65" TVs, with a weight capacity of 160 lbs as a standalone mount or 132 lbs as an extension kit. The TV Brackets' extension functionality allows for a wide tilting range and easy cable access. Tilting functionality helps reduce reflections and enhance the viewing experience. Swivel left or right to achieve the optimal viewing angle. Level adjustment enables the TV to be adjusted post-installation and offers height adjustment. Horizontal shift allows the TV to be moved horizontally on the wall plate to allow optimal placement on the wall. The unique latching mechanism allows the TV to be securely attached and removed from the wall plate quickly and easily.

Features

- Two installation options: Use as a standalone TV mount, or as an extension kit to mount an extra TV on the ERMTL3-01B in portrait or landscape orientation.
- Fits most 40" to 65" TVs, with a weight capacity of 160 lbs as a standalone TV mount or 132 lbs as an extension kit.
- Extends up to 6.5" for easy cable access and retracts back to 2.94" for a low-profile look.
- Tilts from -12° to +3° to reduce glare for clear viewing. Swivels $\pm 10^\circ$ for optimal viewing angle.
- Side Level Adjustment $\pm 3^\circ$ allows the TV to be adjusted post-installation and offers height adjustment.
- Horizontal shift allows TV to be moved horizontally on wall plate to allow optimal placement on wall.
- Pull cord lock allows easy and reliable locking or unlocking of your TV.
